FEVEN TESFAYE

FRONT–END DEVELOPERAND

&

UI/UX DESIGNER

Profile

A motivated Frontend Developer skilled in HTML, CSS, JavaScript, React, and Figma. I bring creativity and technical expertise to build modern, responsive, and intuitive web applications, while also designing user-friendly interfaces in Figma. With a focus on enhancing user engagement and delivering high-quality digital experiences, I am eager to contribute to dynamic teams and tackle new challenges in a fast-paced development environment.
